## **A Message from your Chairman**

**Cary Spiegel**

Dear Friends,

Welcome to all of you tonight who are attending Tranquillity Camp's 100<sup>th</sup> Birthday Party and launching T-Y's next 100 years!

Our entire Tranquillity community is celebrating this incredible achievement for our beloved Camp! From a modest beginning on a 50-acre farm in 1919, Tranquillity Camp grew to our modern facilities on over 1,000 idyllic acres today. This did not happen by accident. Tranquillity is the dream created by Elias A. Cohen's generosity and vision, passed down to his niece Pearl C. Miller and the Cohen / Schlang / Cohn / Lawrence families. The lessons of Noblesse Oblige that Elias A. Cohen taught and Pearl carried on were understood and inspired the creation of the Tranquillity Alumni, now known as Friends of Tranquillity Camp.

As part of our celebration, we are honoring and congratulating Richard Lerner, who has been Tranquillity's Executive Director since 1996. Richie first attended Camp as a camper, counselor and head counselor. Now preparing for his 25<sup>th</sup> year running camp, with the support and dedication of his wife Sherrie, he has had a huge impact on every aspect of camp and will continue to make his imprint on the next generation of campers.

We are happy to announce that our next big project will be the rebuilding of The Roost. The Roost, a converted chicken coop, has been the bunk for the waiter boys for decades and the coming of age aspiration for the entire boy's camp.

Special thanks to all who have made tonight's celebration possible: Our event committee, the Board, and special volunteers, including my wife, Lisa, for her tireless effort in creating this journal.

On behalf of our Board and Officers, and the children of Tranquillity, thanks to all of you for coming tonight and generously supporting our 100<sup>th</sup> Birthday Party's journal. Please continue, in the spirit of Noblesse Oblige, to show your deep appreciation for the lifelong memories and friendships that Camp has afforded us. Friends of Tranquillity Camp exists for the sole benefit of Tranquillity Camp, ensuring its financial future and funding capital projects, while supporting the deserving children who attend Camp regardless of means.

Enjoy the big celebration!

Yours in Noblesse Oblige,

*Cary*

Cary Spiegel  
Chairman, Friends of Tranquillity Camp

Greetings from our Chairman Emeritus, Harold Weinman.

Welcome to the 67<sup>th</sup> celebration of Friends of Tranquillity Camp and the 100 plus years of Tranquillity Camp. These numbers are truly remarkable. They represent the devotion of so many dedicated people throughout the years. Many of them are with us here tonight.

This evening we are celebrating two great occasions: The 100<sup>th</sup> plus year of Tranquillity Camp and the 25<sup>th</sup> year of Richard Lerner's position as Executive Director. Richie's love for Tranquillity started as a camper and counselor, and then he rose to Director. He has spent the past 25 years making sure that every child who attended camp has had an experience they would never forget. He has instilled our motto "Noblesse Oblige," which has been taught to the children of T-Y since 1919. On behalf of our entire board, former and current campers, and their parents, we all say thank you to Richard for making sure their lives have become richer as a result of attending Tranquillity. I must also take this opportunity to say thank you to Richie's wife, Sherrie Lerner. Like the saying "Behind every great man there's a great woman," we thank Sherrie for caring for our children and making sure they have an enjoyable summer.

Thank you to Richard Lawrence, the devoted president of Tranquillity Camp, Inc. I would need five pages to properly thank Richard for all his time and contributions to T-Y camp and our organization. He is "The Best." He never says no, and he is always there for us. We extend thanks to his wife Sarah, and his daughter, Rebecca. I would also like to extend my gratitude to his sister, Marta Jo Lawrence, for her most generous financial assistance year after year. I must acknowledge and thank Melanie and Marc Cohn and their family for their continuous donations to help maintain Tranquillity Camp. Thank you to Penny Hallman for following the Cohn transition of supporting Tranquillity. Special appreciation goes out to Robin Diamant, who has helped to make this night a success.

A big thank you to Amy Abramson, Chairperson of this successful night. My gratitude to our president, Stacy Budkofsky, for all her help with this dinner dance. Thanks to our chairman of the board, Cary Spiegel, and his wife, Lisa Spiegel, for putting together our beautiful journal. Thanks to all the members of our Board of Directors, who have contributed their help in this gala affair.

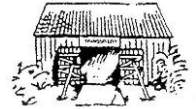

In closing, I give heartfelt thanks for all who have attended this evening's gala. Tranquillity has always been dear to my heart and is a place where teaching children to respect and care for one another takes place. The Friends of Tranquillity Camp was formed and exists for the sole purpose of making sure that Tranquillity Camp has enough funds to continue to grow and maintain its existence. These goals have always been achieved throughout the years. A thank you to all our members, the Lawrence family, the Cohn family, and the Schlang family.

Please enjoy this wonderful evening of delicious food, dancing and casino fun.

DATELINE EARLTON

Dear Friends,

1919 to 2019. Tranquillity Camp is celebrating its 100<sup>th</sup> birthday. Few camps can boast such an achievement. What an amazing accomplishment, certainly one to be celebrated by anyone who is now or has been part of the incredible journey that has taken us to today.

From the ten boys Mr. Cohen brought to his farm in "Urlton" in 1919, to the 360 children who attended camp throughout 2019 we certainly have grown. Tranquillity now has over one thousand acres of land, and thanks to the devotion of so many people, Tranquillity's facilities have improved; swimming pools, tennis courts, the Dining Room, Overlook Lane, Frindel Lane, The Hills, the Pearl C. Miller Sports Center, Street Hockey Rink and many more projects were completed. We are indebted to the Marc Cohn and Family, Richard Lawrence and Family and Robin Diamant and the Schlang Family for their dedication to Mr. Cohen and Pearl's vision. Their support throughout the years has been resolute and steadfast.

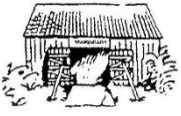

In 1952, "The Tranquillity Alumni" was formed. Pearl recognized the need to create an organization to ensure the preservation of TY. She enlisted a former group of original "Tranquillity-ites" – Al Rukin, Abe Berson, Nat Menis and Leo Skolnik – to fulfill that mission. For over seven decades the Alumni, now called "The Friends of Tranquillity Camp", has been instrumental in helping to provide a rewarding camp experience for thousands of girls and boys fortunate to call TY their summer home.

Since Tranquillity Camp began in 1919 on through today, every boy, every girl, every counselor, every staff member, every parent has become part of the Tranquillity family. A feeling of belonging, of togetherness and "esprit de corps" developed. Each generation of campers became the leaders, training the next group of campers, much like big brothers and sisters. The shows in the barn and sports center, the songs, the spirit on the ball fields and the same traditions have been carried on from one year to the next. Friendships formed at TY remained solid through life. There has always been a feeling of camp pride, of being part of a unique family. Whether you belonged to the groups that Elias A. Cohen brought to his little farm in "Urlton" in the 1920's when camp was small and camp life was simple, or whether you came in the 1930's as Tranquillity developed from a farm to camp, or whether you came during the 1940's when many of the children were refugees who came from the war-torn countries of Europe to find peace and happiness, and learned to become Americans. Then, there were the thousands who came since then, whose lives were profoundly influenced by the wisdom and guidance of Pearl. The Tranquillity-ites of the 21<sup>st</sup> Century continue to carry on the traditions we hold so dear.

We hope to see you on Visiting Day, August 2, 2020. If you have not been to TY in a while, you will be amazed at how camp has grown, yet at the same time you will remember the Tranquillity Camp you knew many years ago.

Once again, thank you for your devotion and generosity to our amazing summer home.

*Richard & Sherrie*

## **Cheryl's Pearls of Wisdom..... A Message from the Cohen Family**

I have a question for you: Do you think Elias A. Cohen imagined camp would celebrate its 100<sup>th</sup> birthday? I often ponder this question, imagining what Elias dreamed for Tranquillity so many years away. As a camper, counselor, and one extremely fortunate adult who has worked in camp for over 25 years, I understand how miraculous it is we reached, and surpassed, our 100<sup>th</sup> year. How did this miracle occur? The answer of course was the insight and hard work of so many people. As the century milestone approached, my exhilaration and anticipation grew. I knew I wanted to be part of guiding Tranquillity to this monumental achievement. I also realized I certainly could not do it myself. Fortunately, we have some astounding family members – Richard Lawrence, Marc Cohn, and Robin Diamant, to name a few. We have the legacy of Pearl and Henry, who picked up the reins when Elias passed away, carrying on his infamous traditions and ensuring all went well. There is the Friends of Tranquillity Camp, a score of dedicated staff, and Richard Lerner, tonight's honoree, and his wife Sherrie. All these visionaries work to keep the campers so ecstatic they return year after year, allowing Elias A. Cohen's dream to remain true and thriving. Tonight, we gather at this double celebration to authenticate and commemorate a new century of Tranquillity Camp, and the love, guidance, and TY spirit embodied by Richard Lerner.

The beauty of the Tranquillity dream is you - who return year after year to share your talents; who choose Tranquillity when it is time for your children or grandchildren or great-grandchildren or neighbor's children or friend's children to attend summer camp; and who return to your summer home to refresh the lessons learned in your youth that still guide you today. And, now, we are now blessed with so many new families who are making their marks on TY and creating a new generation of Tranquillity-ites. All of you give yourselves a round of applause for your ongoing commitment to perpetuating Tranquillity Camp's good name and time-honored traditions.

Our work, however, is not done. How cool would it be for camp to celebrate its bicentennial? Imagine how many more campers and counselors could learn the lessons we learned, how many new lifelong friendships could be created, how much better our world might be if another 100 years of children and adults were embracing the values taught by Elias and Pearl about living together in peace and harmony with Noblesse Oblige as their motto. Few people thought it possible to reach our 100-year celebration. Yet, we did, and for that we give heartfelt thanks. Now, moving forward, let us do whatever we can to ensure the next 100 years not only happens but outshines the dreams of today born from the dreams of a century ago.

As mentioned, I am one very fortunate adult. I shared 25 summers with this evening's special honoree - Richard Lerner. When you add together my years as a camper, counselor, and worker, roughly three-quarters of my life has been at Tranquillity. Richie and I share this long-seated love of TY. He too has spent the lion's share of his life surrounded by Tranquillity's majesty. While our shared summers were each unique, the constant was watching Richie interact with campers and staff, always wanting the best for them. He cares about each child just as Pearl and Elias did before him. I am genuinely honored we shared this last quarter century. Richie, thank you for all you do to nurture the campers and staff of Tranquillity. I treasure our time together, now and forever.

In closing, I wish a wonderful life in Tranquillity to Richie and Sherrie, and all of you. Always remember, everything you do for Tranquillity Camp is appreciated. May your lives, your families, and your friends forever find enough faith, love, and tranquility to fill each heart with happiness.

Love Always,  
*Cheryl Schwartz Janer*

## **In Loving Memory of Our Beloved**

# **Sylvan Lawrence**

His was a life well spent. We cherished him for his sweetness,  
His charm, his good humor, his courage, his dedication to  
His principles, his family, his caring and sharing.

His deeds and spirit will live in our hearts forever.  
His love for us and our love for him will ever  
Serve as an inspiration for us to "carry on".

The Tranquillity Campers, Counselors and Alumni

**In Loving Memory of**

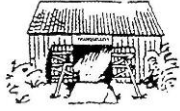

**Alice Lawrence**

Hers was a life not wasted. We cherished her for her integrity,  
Her ideals, her honesty and the love she felt for her family.

After the untimely loss of her beloved Sylvan so long ago,  
Her desire was to fashion a life devoted to peace and quiet, her love of art and  
Her role as the head of her family.

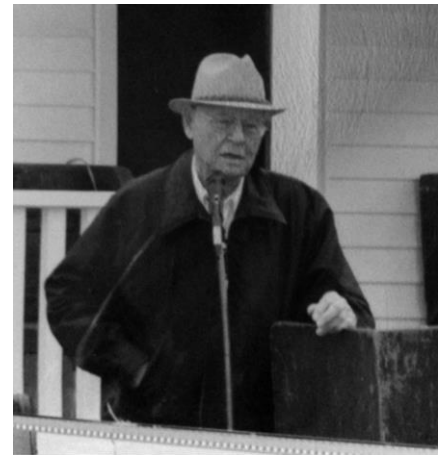

Her caring spirit and the high regard she felt for Nat Menis caused  
Her to become one of Tranquillity's strongest supporters.  
Her one condition was her gifts not receive any fanfare.

Beloved Wife of Sylvan, of blessed memory  
Adored Mother of Marta Jo, Suzanne and Richard  
Devoted Grandmother of Joseph, Charles and Rebecca  
Cherished Sister of Marcia  
Beloved Aunt of Penny, Marc, Betty and Michael  
Revered Great-aunt of Gabriel

**In Loving Memory of**

# **Maurice (Mike) Schlang**

The last of a Great Generation. Mike gave much to Tranquillity, serving its many Boards and the Alumni. He was a warm presence with a strong personality and a great smile. Of Pearl's generation, he spent his childhood at Tranquillity before it was a camp. He told wonderful stories of that time. Mike was a visionary and set his sights beyond the horizon that he always yearned to cross. He would sketch out his ideas and then follow up with perseverance, precision, and the guiding light of Noblesse Oblige to bring these visions to fruition. Lake Pearl is a shining example of his creativity, enthusiasm and tenacity in action. Tranquillity, always in Mike's full heart, will now be his eternal "summer home".

Mike was accomplished in the Real Estate field, learning from his Uncle EA, his cousins and his brothers. He was a presence on Wall Street and worked closely with the icons of finance in the early 20<sup>th</sup> century. He is missed.

Dear Richard,

A few short years ago we were "inters " and now, more than 50 years later, we are "adults " (sometimes).

My memories of Tranquillity Camp always include you! You have grown, along with our beloved camp, into a strong, effective, caring, innovative and beloved leader.

Through all these years, you have always had one goal in mind: to keep the children of TY happy and safe, from early morning checking on breakfast to late night checking on counselors!

You have maintained the Ideals of Noblesse Oblige, instilled in us by our founder, EA Cohen, and "our Pearl." You manage to know each child's name by day 3 and personify "in loco parentis " all summer long.

We are so fortunate to have you and wish you many, many more years (Ad Mayawe VaEssrim) to share with new generations of Tranquillity children.

Much Love and Health,

Sheila Richter Wisotsky
