

The Friends of Tranquillity Camp
Presents The 2018

FLORIDA PLAYBILL

**Tranquillity Camp
Celebrating
100 Summers**

Florida Luncheon
February 4, 2018 - Boca Raton, FL

Our Beloved Founder

Elias A. Cohen

His spirit of “Noblesse Oblige” prevails in this summer haven created by him in 1919 for deserving boys and girls. His unbounded generosity and his wise counsel were an inspiration to all whom he befriended, helped to develop better Americans, happier human beings, and lasting bonds of fellowship.

Our 1st Lady of Tranquillity Camp

Pearl C. Miller

Tranquillity and Pearl. We knew them as one. For well over fifty years, Pearl loved all the children of Tranquillity as her own. Pearl was our leader. She showed us every day how to live, play and work together in the spirit of Hine Ma-tov. Quick to praise or offer an encour-

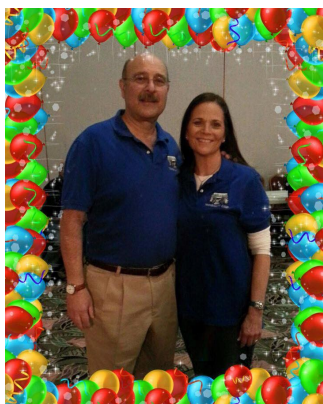

aging word, Pearl inspired us to always try our best. Guided by the inspiration of her uncle Elias A. Cohen and with her beloved Henry at her side, Pearl devoted her life to Tranquillity. She will forever remain in the hearts of generations of dedicated Tranquillity-ites.

Our Wonderful President of Tranquillity Camp Richard Lawrence

Following Pearl's passing, her nephew Richard Lawrence stepped in as president of Tranquillity Camp. Over the years, he has truly proven that he is the epitome of "Noblesse Oblige," which is the Cohen family credo, taught to the children of Tranquillity since 1919. Richard has done everything possible to carry on the legacy of his great uncle Elias A. Cohen and of Pearl C. Miller, because Tranquillity is in his blood, so to speak, as it is in his heart. Richard's spirit and determination are just two of the keys to ensuring Tranquillity's success today and into its Second Century.

Our Wonderful Executive Director of Tranquillity Camp Richard Lerner

Pearl used to say — from one generation to the next, traditions are passed down, as is the baton. Who better to direct Tranquillity into its future than Richard Lerner, a former camper and counselor with a deep love for all that is Tranquillity? Under his guidance and leadership for the past 22 years, camp has grown into a true summer haven for all those looking to create wonderful lifelong memories and friendships. The happiness and joy of the campers and staff is the guiding force for Richard and his beautiful wife Sherrie. It is because of them that Tranquillity continues to thrive and grow.

I would like to express many thanks to Elias A. Cohen and his vision for children, to experience wonderful summers at a place they can call their home away from home. We are so fortunate to start our 100th summer at a special place in Earlton, NY.

My heartfelt thanks to the Cohn family, the Lawrence family, the Schlang family and the many friends who have contributed to Friends of Tranquillity Camp and supported Tranquillity throughout the years.

Special thanks to Richard and Sherrie Lerner who continue to make so many hundreds of children love being at camp each and every summer, and creating memories that will last a lifetime.

Best Wishes for 100 more years!

Congratulations on celebrating
100 TY summers!!

Love and best wishes Jon,
Amelia, Eve, and George

Summer is the stuff of dreams.

Adults and kids, they dream of summer.

Summer is the time of infinite fun.

The day seems to last forever, and the fun
never stops.

It is a time of excitement and an enhanced
enjoyment of life.

Somehow summer never seems to last long
enough.

It is always over before we get a chance to
fully experience its power.

This is true of all things wonderful.

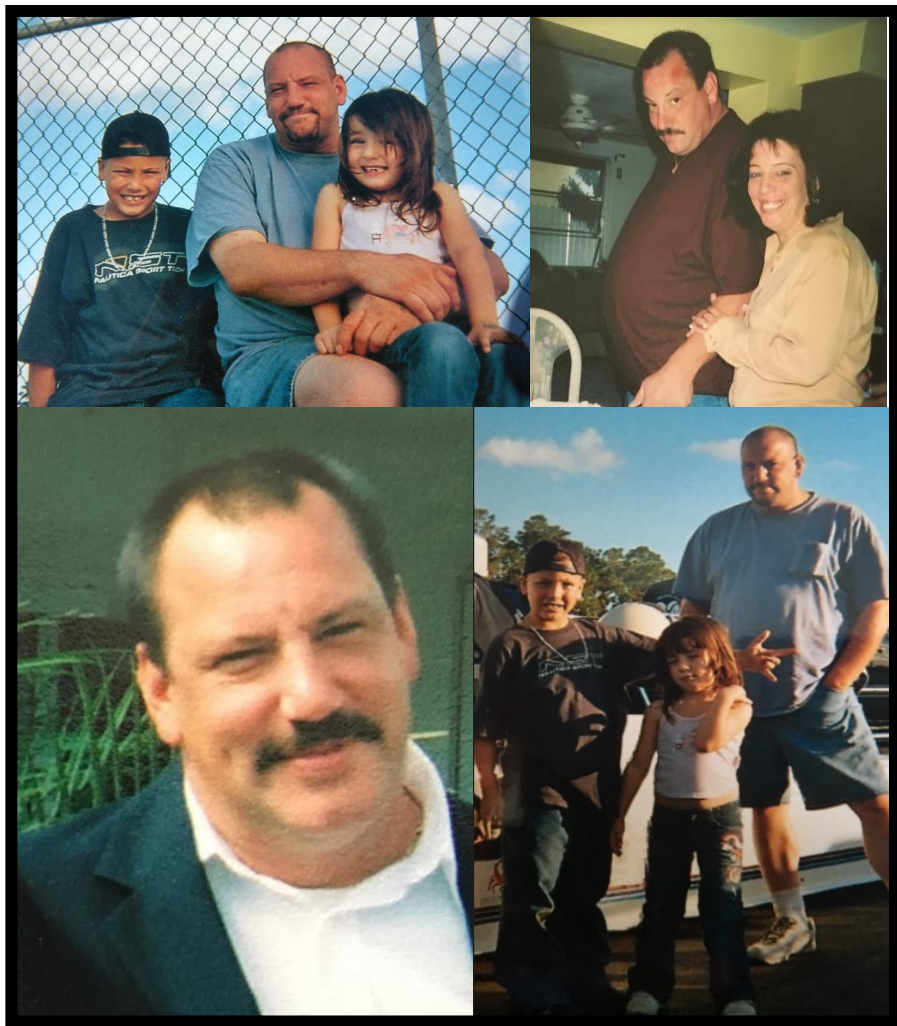

They always seem too short.

Keep the spirit of Tranquillity in your heart
forever.

Happy 100th summer to Tranquillity Camp!
