***YEARBOOK***

***Est. 1919***

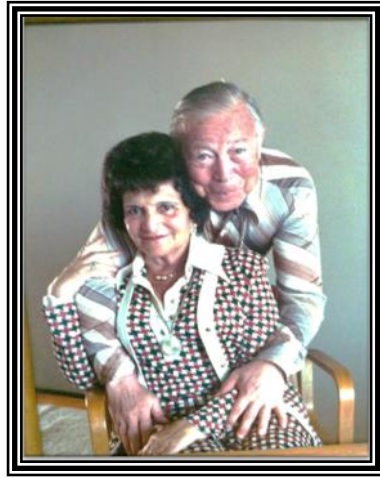

*Elias A. Cohen*  
*Our Beloved Founder*

His spirit of “Noblesse Oblige” prevails in this summer haven created by him in 1919 for deserving boys and girls, his unbounded generosity and his wise counsel were an inspiration to all whom he befriended, and helped to develop better Americans, happier human beings, and lasting bonds of fellowship.

# *Pearl C. Miller*

## *The 1st Lady of Tranquillity Camp*

Tranquillity and Pearl. We knew them as one. For well over fifty years, Pearl loved all the children of Tranquillity as her own. Pearl was our leader. She showed us every day how to live, play and work together in the spirit of Hine Ma-tov. Quick to praise or offer an encouraging word, Pearl inspired us to always try our best. Guided by the inspiration of her uncle Elias A. Cohen and with her beloved Henry at her side, Pearl devoted her life to Tranquillity. She will forever remain in the hearts of generations of dedicated Tranquillity-ites.

# **DATELINE EARLTON**

**Richard Lerner**

I would like to send a “Shout-Out” to the children of Tranquillity Camp. Yes, our facilities are first rate and our history unparalleled. However, it is the children who make each summer exceptional. Every year the returning campers and new arrivals create a unique spirit. It was evident at a meal last week in our beautiful Dining Room. For those who have not had the opportunity to experience a Saturday lunch, we sing while dessert is being served. Choose a word: joy, happiness, elation, jubilation, glee. It is at that moment we come together as one. It is one of my most cherished memories of the summer.

Sherrie and I would like to thank all those who have helped support Tranquillity this year. We constantly strive to enhance the TY experience and your assistance has been invaluable. As we march towards the celebration of our 100<sup>th</sup> summer, we do so knowing Elias A. Cohen and Pearl’s vision of Tranquillity Camp remaining in perpetuity is not a dream, but a reality.

Thank you for allowing us the privilege of spending our summer with your children.

Best regards,

*Richard & Sherrie*

# Friends of Tranquillity Camp, Inc.

PO Box 6469

Monroe Township, NJ 08831-6469

Welcome and thanks to all the campers, staff, camper families and former Tranquillity-ites who have generously contributed to our 2017 mid-summer yearbook. This summer we reflect on 65 years of accomplishments for Friends of Tranquillity Camp, founded as the Tranquillity Alumni by dedicated former campers, and we celebrate our 99th season of children attending our Camp, founded by Elias A. Cohen in 1919.

Friends of Tranquillity Camp exists for the sole purpose of supporting Tranquillity Camp. Our contributions provide scholarships, supplement camper fees and fund special projects to enhance or restore our campus. This summer our three most recent projects are proudly in use: The expanded and renovated Health Center, a new Street Hockey Rink, and our beloved and iconic Barn, which has been newly re-sided and sits on a brand-new foundation.

Please watch for our Friends of Tranquillity Camp events throughout the year; we hope you will join us.

Yours in Noblesse Oblige,

*Cary*

## **Then**

Founded in 1919 by Elias A. Cohen, Tranquillity Camp was built on Tranquillity Farm in the foothills of the Catskills. Mr. Cohen brought young Jewish boys and girls to his farm in Earlton, New York, to escape the heat of the city. Elias A. Cohen loved people. He had faith in youth. He wanted to give every child an opportunity to express themselves, to develop their latent talents, and to learn to live with one another harmoniously. Mr. Cohen's ideals and goals became our ideals and goals then and now.

His niece, Pearl C. Miller, lovingly took on the role of Camp Director when Mr. Cohen passed away. Pearl will forever be the First Lady of Tranquillity and is fondly remembered by all those who were lucky enough to encounter her warm smile and welcoming arms.

## **Now**

Pearl use to say — from one generation to the next, traditions are passed down, as is the baton. Who better to direct Tranquillity into its future than Richard Lerner, a former camper and counselor with a deep love for all that is Tranquillity. Under his guidance and leadership for the past 21 years, camp has grown into a true summer haven for all those looking to create wonderful lifelong memories and friendships. We now have an expansive campus with fully-modernized houses, a beautiful Dining Room, two swimming pools, a multi-purpose Sports Center, street hockey rink, fields and courts for a wide range of team sports, a modern theater, and a new Health Center. Many of the buildings on our grounds were funded by our passionate and active alumni organization, the Friends of Tranquillity Camp. The Cohen family has remained an integral part of Tranquillity, staying true to Elias A. Cohen's mission of providing a fun, safe, and exciting summer camp experience at an affordable cost.

## **Forever**

With your help and generosity through donations, Tranquillity Camp can continue for many years to come. Future generations will forever be thankful. They will have an opportunity to experience all Tranquillity has to offer. They will make wonderful memories, create life-long friendships, and learn the valuable lessons taught by Elias A. Cohen and Pearl C. Miller.
